

FUTURE & HOPE SCHOLARSHIP

Jeremiah 29:11 (KJV)

For I know the plans that I have for you,' declares the LORD, 'plans for welfare and not for calamity to give you a future and a hope. Aletheia. Dance, Inc is partnering with businesses, corporations, & organizations to create dance scholarships for students (both youth and adults) who have the desire to dance, but are facing financial hardship. Our organization believes in giving every student easier access to greater opportunities by helping them get a jump-start to a brighter future and a hope. However, we do not believe in enablement. Therefore inquirers must fill out an application and write a statement describing their financial crisis and need. We interview and analyze our applicants. There are certain requirements and guidelines they must meet and abide by in order to qualify for scholarships/financial assistance. Aletheia also refers students & families to resources and tools to help them get back on track financially. Scholarship recipients will be given a small Seed of Hope card representing them as a scholarship student. They must present this card to the teacher when monthly tuition is due. Scholarships/financial assistance only lasts for one school year, and are renewed by reapplying and repeating the analysis. Yes, it is possible to be rejected for the second go round.
